What is GetResponse Marketplace?

A PLATFORM TO SHOWCASE YOUR EXPERTISE

GetResponse Marketplace is a powerful platform to promote your services, and help our users tackle their marketing challenges.

It places you in front of **tens of thousands of people** who need your expertise – making it a mighty tool to grow your business.

What offers can you showcase?

You can offer a suite of services in the Marketplace, such as:

- Email list building
- Content creation
- Template design
- Business consulting
- Trainings
- Campaign strategy
- Marketing automation
- Training and consulting
- API development
- Services

Offering small business solutions?

Join us and showcase your offers to thousands of GetResponse users!

GET STARTED NOW

How can your business benefit?

GET MORE CLIENTS

Share your expertise with tens of **thousands of our customers, all** looking for better ways to grow.

ADVERTISE FOR FREE

That's right, you won't pay a cent to advertise on GetResponse Marketplace.

BE SEEN AS A LEADER

When you complete our **Certification Program**, your ad will appear at the top of list results as our Certified Partner.

That means more people will see your services, and you'll be positioned as a credible, trusted expert.

How can your business benefit?

REACH THE RIGHT AUDIENCE

Your offer will be shown in the Marketplace to people actively looking for help. We'll also showcase it in our **monthly newsletter** and **social media channels**. And you can contribute to our blog, which attracts thousands of visitors every month.

RETAIN MORE CLIENTS

By helping people in the Marketplace, you can offer repeat services – and **keep more happy clients** in your portfolio.

Become a solution provider today!

3 STEPS TO GET STARTED

1

Visit the providers page.

2

Fill in the form with your offer.

3

Submit your offer!

If your offer is approved, we'll add it to the Marketplace, where other GetResponse customers and their contacts will see it.

How will your prospects know about your offers?

The Marketplace will be available to your prospects via:

GetResponse home page

GetResponse user panel

Regular email updates

Regular social media updates

Webinars and blog posts

How will your prospects get in touch with you?

1

They choose the solution they're looking for.

2

They browse the offers on the listing page.

3

They visit the offer page, and get in touch with you.

It's that simple.

No gated links, agencies, referrals, or handling fees.

Just you and your customer.

Next steps...
